

## TENUTA CAPPELLINA WINES

At the southernmost tip of the Chianti Clasico region, you will find the organic winery of Tenuta Cappellina. Here, perched on warm south facing slopes, we enjoy spectacular growing conditions and views across the whole of southern Tuscany.

Our philosophy is to make wines in an environment where biodiversity is promoted, where the natural rhythm of the seasons are embraced and where the vineyards are in perfect balance with nature.

Our small team have been with us for many years and it is their passion for wine-making that you will taste in every mouthful of our wines. We hope you enjoy them.

## Chianti Classico | 2018

DENOMINAZIONE DI ORIGINE CONTROLLATA E GARANTITA

Chianti Classico is the wine that best expresses the territory we are in, the result of centuries of tradition which we are proud to build on. Our work in the vineyards and careful selection results in softer, easier drinking wines, more suited to the current consumer taste. The blend in 2018 could not be more traditional, mainly Sangiovese with a small percentage of the native variety Canaiolo giving it the perfect fresh element. Certified organic.

## HARVEST NOTES

Unlike the very difficult 2017, 2018 was a balanced year, with rainfall at the right time and ideal climate conditions. The summer was warm, but still punctuated with cool nights, allowing the grapes to ripen gradually and with complexity.

The work we have done each year in the vineyard really began to pay off, with tannins ever more smooth and silky. This is perhaps the first year in which our Sangiovese really starts to show the character we have always looked for: fruit-driven wines, smooth, powerful, aromatic, salty.

Also the Cabernet delivered the goods, with intense dark fruit flavours, power and smooth tannins.
